HS Boys (G9 and G10)	Combined/Hybrid model

Important notes

- Please note the different arrival and dismissal times per cycle and grades to alleviate any congestion.
- Counseling hours for our school counselor and our SOD specialist will be daily and will be sent out to you.
- All students from Grade 4-Grade 10 need to bring their digital devices even when attending on campus classes.

KG1 and KG2 students will attend on campus classes every day from 8am-12:00pm Sunday- Thursday. Students will have 5 class periods each day. Students in KG1 and KG2 will be placed in bubble classes with only 10 students in a class so that they have limited contact with select members of staff on a daily basis. STEAM program will continue to be implemented in an integrated approach into Math and Science subjects.
